## **President's Report**

It is with great pleasure that I can advise our members that we have recorded a profit this financial year of \$128,747 before tax. Another profit and another great result for the Club!

We've been busy this year! In August we installed Solar systems; a 5kW system at the Bowling Club and a 50.05kW system at the RSL Club. Savings of up to 30% in electricity expenses have been recorded thus far.

We commenced renovations at the RSL Club in April and to date have completed our new memorabilia space which includes new access to our Board room where you can view photographs of Batlow's Australian Defence Force Service Personnel. This is a remarkable new space for the Club, and we are extremely proud of the finished result. Thank you to the Batlow RSL Club Sub-branch for your support.

Our new gaming room and TAB relocation has also been completed. A repaired ceiling in the main bar area, new carpet and fresh paint has made a for a very pleasant atmosphere in the Club. The Club is feeling and looking fresh!

Congratulations to our Batlow men's Grade 5 pennant team who were very successful at state level lawn bowls this year winning a runner-up flag. We are bursting with pride. Well done Batlow!

Volunteers, thank you! Thank you to our dedicated volunteers at the RSL and Bowling Clubs for your time and energy to conduct our Friday night raffle, Alphy and maintain bowling greens, gardens and lawns. Honestly, we would be lost without you.

Thank you to our staff for your hard work and the respect shown to our patrons. Keep up the good work!

Congratulations to our Manager, Kylie Boxsell on another wonderful year! The commitment and professionalism that she continues to bring to our Club is exemplary.

To my fellow Board members, thank you for your support. The contribution that you have made to Board over the past 12 months is greatly appreciated.

Sadly, we lost two of our long-time bowlers and members this year; Dick Sedgwick and Ron Booby. We will miss you both.

In conclusion, I would like to express my sincere gratitude to all our members. The Club looks forward to your continued patronage in the future.

Robyn Burns President

## **Batlow Bowls Committee Annual Report**

Hello members.

Firstly, I would like to thank the executive bowls committee; Steve Horsley, Chris Skein and Roger Pearce for their support and contribution to the Club. This has made my job much easier.

Thank you to Ron Rynehart, John Quarmby, Robyn Burns and all our volunteers at the Bowling Club. Without your support, this Club could not be so successful. We would like to have more members, but in saying that, we were able to put together two pennant teams, grade 6 and grade 5, with the 5's going through to state level. The 5's won a state runner-up flag! Congratulations to all involved. Yes! We won a state flag!

Congratulations to our Championship winners;

Singles:

Adam Peel

Pairs:

John Salter, Barry Smith

Triples:

Chris Skein, John Quarmby, Tom Cahill

Fours:

Chris Skein, Rod Peel, John Melrose, Connor Taylor

I would also like to congratulate the women's Championship winners;

Singles:

Sue Dorman

Pairs:

Sue Dorman, Melinda Harvey

Triples:

Lyn Edwards, Chris Shoemark, Chris Horsley

Fours:

Lyn Edwards, Chris Shoemark, Maria Irwin, Kathy Hamilton

Our first mixed Championship winners were;

John Robson and Christine Shoemark

We had another successful Sedgwick Shield with twelve teams participating. Thank you to all the volunteers and staff that make the competition possible and to Interact who not only participated in the competition but operated the BBQ and kept us all well fed.

On a sadder note, we lost two of our long-time members this year; Ron Booby and Dick Sedgwick. Dick held positions at both our club and district level. We will miss you both.

Thanks to our General Manager Kylie Boxsell, the RSL staff and the Board of Directors. Your support is greatly appreciated.

Warren Dorman Batlow RSL Bowling Club Men's President

#### General Manager's Report

It is with pleasure that I present my General Manager's Report for the year ended June 2019. The Club has recorded a profit of \$128,747, less a tax expense of \$5,964. This marks the ninth profit in a row for our Club. Another excellent result for a Club of our size!

It's been an exciting year for us. In August 2018, we installed Solar systems; a 5kW system at the Bowling Club and a 50.05kW system at the RSL Club. Savings of up to 30% in electricity expenses have been recorded to date.

The installation of Danny's Outdoor Gym was completed in March this year. I am very proud of the Club's involvement in this project and feel that the entire Batlow community will benefit from this outdoor exercise equipment. Let's get active Batlow!

In April, we commenced renovations at the RSL Club and to date have completed our new memorabilia space which includes direct access to our Board room where you can wander through and view an extraordinary display of photographs. I could not be prouder of this important and significant memorabilia. Thank you to the Batlow RSL Club Sub-branch for your support and patience throughout this project. It is greatly appreciated.

Our new gaming room and TAB relocation has also been completed. Fresh paint, a repaired ceiling in the main bar area, stunning new carpet and a new foyer has made the Club feel fresh and inviting. The positive feedback from our members and guests has been overwhelming.

With the assistance of the Batlow RSL Women's Auxiliary and the Butler family, we were able to purchase an Automatic External Defibrillator (AED) for the RSL Club this year. This small but incredibly smart device is used to help those experiencing sudden cardiac arrest and can save lives.

The Club made donations throughout the year to community groups and clubs including; Batlow Rugby League Pub 9s, Batlow Interact Club, Batlow Agricultural Show Society, Batlow Golf Club, Batlow Anglican Church Group, Batlow Men's Bowling Club Committee, St Mary's Primary School and Batlow CiderFest.

Congratulations to our Batlow men's Grade 5 pennant team who were successful at state level lawn bowls this year winning a runner-up flag. Well done Batlow. We are all very proud!

Our volunteers work diligently maintaining the greens and gardens, cleaning and attending the bar at the Bowling Club and successfully running our raffles and ALPHY on a weekly basis at the RSL Club. Your ongoing support is essential to the successful operation of our Club. Thank you.

I would like to acknowledge our excellent staff for their enthusiasm and loyalty. I am grateful for our very competent, professional and supportive team. It is a pleasure to work with you all.

Thank you, Robyn Burns and the Board of Directors; Chris Skein, Stephen Horsley, Warren Dorman, Mark Jones and Stephen Bunter for your guidance and support. I am grateful to work with a proactive Board which strives for ongoing improvement on behalf of our members and the community.

I would like to extend my condolences to the Sedgwick and the Booby families. We will miss Dick Sedgwick and Ron Booby. They were both long-time bowlers and members of the Club and they will be forever in our thoughts.

Finally, I express my appreciation to all members for your support and regular patronage over the past 12 months. We hope you continue to attend the Club and enjoy our freshly renovated facilities. We look forward to sharing our next lot of projects with you.

Kylie Boxsell General Manager

#### NOTES TO AND FORMING PART OF THE ACCOUNTS

#### FOR THE YEAR ENDED 30 JUNE 2019

## NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with the Corporations Act 2001 and Australian Accounting Standards – Reduced Disclosure Regime, and comply with other requirements of the law.

The financial report is for Batlow RSL Club Limited as an individual entity, incorporated and domiciled in Australia. Batlow RSL Club Limited is a company limited by guarantee.

## **Reporting Basis and Conventions**

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### **Accounting policies**

#### (a) Inventories

Inventories have been valued at the lower of cost and net realisable value. Cost is based on the first-in first-out principle. At period end finished goods for resale of \$24,020 were held.

#### (b) Property, Plant and Equipment

Property, plant and equipment are bought to account at cost less, where applicable, any accumulated depreciation.

Depreciation is provided on fixed assets so as to write off the assets progressively over their estimated economic lives. Fixed assets are depreciated from the time of acquisition with the prime cost or diminishing value method being used. The depreciation rates used for each class of depreciable assets are:

Buildings & Leasehold improvements 2.5% Plant, furniture and equipment 10-33%

#### (c) Employee Entitlements

#### (i) Short-term employee benefits

Liabilities for wages and salaries, annual leave that are expected to be settled within 12 months of reporting date are recognised in respect of employee service up to reporting date. They are measured using the wage and salary rates the entity expects, as at the reporting date, to pay on settlement, including related on-costs, such as workers' compensation insurance, superannuation.

#### NOTES TO AND FORMING PART OF THE ACCOUNTS

#### FOR THE YEAR ENDED 30 JUNE 2019

## (ii) Long service leave

Liability for long service leave is recognised based employee service up to the reporting date. It is measured at the present value of expected future payments relating to that past service. Consideration is given to expected future remuneration rates, past experience of employee turnover and past service. Amounts expected to be settled more than twelve months after reporting date are discounted to present value using rates reflecting yields at reporting date on Australian government bonds which most closely match the terms of maturity of the related liabilities.

#### (d) Financial Instruments

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

#### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

#### Financial liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

#### Impairment

At each reporting date, the entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

## (e) Amendments to Australian Accounting Standards

The directors have considered the application of AASB108 "Accounting Policies, Changes in Accounting Estimates and Errors" and are of the opinion that the standard does not result in a material impact on the entity's financial report.

#### (f) Receivables

Accounts receivable include amounts due from members and other services. Accounts receivables are recognised at the amounts receivable as they are due for settlement. Accounts receivables do not carry any interest and are stated at their nominal value.

## (g) Payables

Trade creditors represent liabilities for goods and services provided to the Company prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

#### NOTES TO AND FORMING PART OF THE ACCOUNTS

#### FOR THE YEAR ENDED 30 JUNE 2019

#### (h) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates.

#### (i) Income Tax

The mutuality principle has been applied to the calculation of the company's income tax. The club has estimated that the assessable proportion of mutual income represented by results of trading attributable to non members of the group is to be 19%.

## (j) Doubtful Debts Provision

The doubtful debt provision represents amounts that the recoverability of the receivable is doubtful. The provision is measured in accordance with AASB 9 using the expected credit loss method. This requires the company to apply a forward-looking credit loss approach.

The company applies the simplified approach to its trade receivables, and measures the loss allowance at an amount equal to the lifetime expected credit losses. AASB 9 was first applied at 1 July 2018 and the impact of the application of the expected-loss impairment requirements of AASB 9 on the company's trade receivables on initial transition was not material.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
